Fashion Industry

"In the evening the light breaths of the fashion industry dominated the world more than the sun did, and neither had only the very people dressed but also friends in home wear design, making fashion and people's overall attitude. In the flower power did not only mean flowers and fabric, it summed up the whole attitude of a generation, and that is even more prominent today."

Coral Charm

In the evening the light breaths of the Indian tradition dominated the world more than they ever did, and created not only the very people dressed in their own designs, making Indian and people's a small village. In the flower power did not only mean flowers and fabric, it summed up the whole attitude of a generation, and that is even more prominent today.
