**NARI**

attitude look

In the 21st century the style trends of the fashion industry dominate the world more than they ever did, and control not only how we people dress, but also trends in home ware, design, cooking, politics and people's overall attitudes. In the 19th century gowns did not only mean class and status, it signified up the whole attitude of a generation, and this is even more prominent today.

NARI

fashion style

In the 21st century the world trends of the fashion industry circulate the world faster than they ever did, and consumers not only the way people dress but also trends in hair wear, makeup, underwear, footwear and jewelry. Several countries, in the 19th century gave off the early signs of fashion and trends. It started by the white dresses of a Queen and not this is even more prominent today.
