THE SPILLOVER EFFECT

From rainbow colors of nature, each stone glows. It lives, it breathes, it sings. It is the soul of the earth, the heart of the universe. It is the light of the sun, the fire of the moon. It is the life of the earth, the love of the world. It is the beauty of the earth, the grace of the world. It is the joy of the earth, the peace of the world. It is the hope of the earth, the faith of the world. It is the love of the earth, the life of the world. It is the light of the sun, the fire of the moon. It is the life of the earth, the love of the world. It is the beauty of the earth, the grace of the world. It is the joy of the earth, the peace of the world. It is the hope of the earth, the faith of the world. It is the love of the earth, the life of the world.
