Style is not about what
you're wearing. It's about

Fashion gives sense to
race, and we are given an
identity by ethnicity

A fashion advertisement featuring a woman standing in front of a festive background. She is wearing a long-sleeved, knee-length dress with a dark green base and a dense, colorful floral and foliate print. The dress has a subtle texture and some metallic highlights. She is also wearing teal leggings underneath and light-colored open-toe sandals. Her hair is dark and styled down. She is standing on a dark surface with several balloons scattered around her, including gold, silver, and black ones. In the background, large gold foil balloons spell out "2024" and "HAPPY NEW YEAR". A smaller bottle of sparkling wine is visible on the left. The overall theme is celebratory and modern.

Style knows who you are,
what you're going to say,
and doesn't give a damn
