"Fashion you can buy,
but style you possess.
The key to style is
learning who you are,
which takes years.
There's no how-to road
map to style. It's about
self-expression and,
above all, attitude."

"Don't be into trends. Don't
make fashion over you, but
you decide what you are,
what you want to express by
the way you dress and the
way to live."
