OPULENT CHARM

There lived a king who thought he had all the riches of the land. Yet before he saw these diamonds bedecked in garments sublime, emanating a golden aura. Still slain, he weeps for riches which could never be his.

have finite limits, only you have an
infinite one. Be not afraid of going
forward. Do above the rest.*

DAZZLING PATTERNS

Often say they are not patterns. They're messages from a time when the world was younger and more beautiful. They're woven into the exquisite garments of those living moments, for only they can bring about the eye again with their grace and style.

**SPARKLING
FINESSE**

*Once a great white tiger spoke of a
sparkle, a glow which would consume
the planet with its intensity. Once
maidens were born seen afar, and
from a very young age glowed bright-
er than the remaining maidens.
Seeing their sparkle and that of their
shimmering clothes have infected the
maisons with their inherent charm.
The prophecy came true!*
