Something  
YOU CREATE

Don't be into trends, look more in than own you, but you design with your  
eye, what you want to express by the way you dress and the way you are.

*Dreaming Again*

"Fashion is part of the daily air and it changes all the time, with all the events. You can even see the approaching of a revolution in clothes. You can see and feel everything in clothes."

"I think there is beauty in everything. What 'normal' people perceive as ugly, I can usually see something of beauty in it."
