Embroidered lehengas in all short lehengas, gold and silver thread are slightly raised and embossed, giving them a metallic finish. Other color lehengas like maroon, red etc are also available. However, before choosing the thread for the embroidery, check whether the color of the lehengas and the threads used is complementing each other well. The embroidered bridal lehengas are available in diverse colors, from pastels to darker hues, like green, lemon, lilac, pink, sky blue etc to extravagant colors like dark green, blood red, maroon, purple, orange and soon.

Embroidered Indian ghagra choli is immensely admired roundthe globe. It is one of the oldest forms of Indian lehenga choli developedsince the times of tribal and nomads as well as royal people of olden times.Even in the present day, the traditional dress for women in Rajasthan and Gujarat is the lehenga choli or ghagra choli. While the tribal and rural women favored theembroidered lehenga choli made up of cotton fabric bedecked with embroidery andmirror work, women belonging to royal families afford more intricate brocade,tanchoi and weighty satins even with real gold and silver embroidery, studdedwith valuable stones
