F E R V O R

Other color threads like maroon, red, etc. are also visible too. However, before choosing the thread for the embroidery check whether the color of the fabric and the threads used is complementing each other or not. The embroidery thread colors are available in three colors (coral, pink, or dark blue), like green, brown, blue, gold, etc. Use one to two or suggest colors like dark green, light red, maroon, purple, orange, and brown.
