LOOK

"A little bad hair is like a nice splash of purple. We all need a splash of bad hair. It's healthy. It's beautiful. It's physical. It kind of tells our souls of it. Our hair is what it's meant."

"Fashion is not something that exists in dress only. Fashion is in the sky, in the dust. Fashion has to do with time, the way we live, what is happening."

STYLE

*"Hence, my opinion what happens in
a woman's life. A woman is
graceful. It's very fragile and it
may just go. It's very well known
that a woman is in with being good
and it's a question of your balance
and your inner state."*
