WINTER LUXURY

VOL-02

"Fashion is part of the daily life and it changes all the time, with all the
evolution. We can create the appearance of a revolution in fashion, we
can see and feel everything is different."

Elements of style

"Elegance is not standing out, but being remembered."

991-001

"Don't let the latest trends. Don't
make fashion own you, but
you find in what you are,
what you want to express by
the way you dress and the
way to live."

PRETTY POWERFULL

"Fashion is what you're offered four times a year by designers.
Style is what you choose."

"Don't say style is not your style, and I don't see how
you can define it. It's something that expresses who
you are in your own way."
