"What's my style is not over style, and I don't see how you can do it. It's something that's important when you see the 'over' look away."

SAMIRA

"Don't be into trends. Don't make fashion over you, but you
decide what you are, what you want to express by the way you
dress and the way to live."

985-002

"That's my style is not your style, and I don't care how you can define it. It's something that appears when you are in your own way."

THE CAPTURED MOMENTS

985-003

"That's my style, it's not your style, and I don't care how you can define it. It's something that represents who you are in your own way."

THE CAPTURED MOMENTS

"What's one night in and over night, and I don't see how you can believe it. It's something that happens when you are in your other way."

THE RIGHT TRACK

"What you wear is how you present yourself to the world, especially today, when
human contacts are on guide. Fashion is instant language."

**CREATIVE
LOOKS**

"What you wear is how you present yourself
to the world, especially today, when business
contacts are so quick. Fashion is instant
language."
