BRINGING THE FESTIVAL HOME

"Style is knowing who you are, what you want to say."

## DAILY INSPIRATION

"A little bad taste is like a nice splash of paprika. We all need a splash of bad taste—it's hearty, it's healthy, it's physical. I think we could use more of it. No taste is what I'm against."

RELAXATION SPACE

"Being well dressed hasn't much to do with having good clothes. It's a question of good balance and good common sense."

The Inside Look

"I think there is beauty in everything. What normal people perceive as ugly, I can usually see something of beauty in it."

# BEAUTY

"Don't be into trends. Don't  
make fashion own you,  
but you decide what you are,  
what you want to express by  
the way you dress  
and the way to live."

"Over the years I have learned that what is important in a dress is the woman who's wearing it." **15751**

"Fashion is about dressing according to what's fashionable.  
Style is more about being yourself."

  
**Quality**

"Fashion is part of the daily air and it changes all the time, with all the events. You can even see the approaching of a revolution in clothes.  
You can see and feel everything in clothes."
