Blouse Back

The image shows a full flaired lehenga choli in a teal or light green color. The lehenga (skirt) is heavily embellished with intricate embroidery, including a large, repeating diamond-shaped motif in the center. The embroidery is done in gold and pink threads, with sequins and beads. The blouse is also decorated with small, round, gold-colored sequins. The fabric appears to be a lightweight, sheer material like georgette. The background is a dark, patterned fabric.
