VOGUE

FASHION IS NOT SOME THING THAT  
FALLS IN A RITUAL ONLY. FASHION  
IS IN THE SKIN IN THE STREET.  
FASHION HAS TO DO WITH IDEAS  
OF A WAY OF LIFE. WHAT IS  
HAPPENING...

A woman with long dark hair is smiling and posing in a blue and orange patterned dress. The dress has a fitted bodice with a vertical orange and white patterned line down the center, and a full, flared skirt with a wide orange and white patterned band near the hem. She is wearing white open-toe sandals and large gold earrings. To her left is a large, vertical arrangement of pink, white, and blue flowers in a white vase. To her right is a white decorative wall with a lattice pattern and a white cabinet with red flowers and silver bird figurines on top.

What you wear is how you present yourself to the world, especially today, when human contacts are so quick. Fashion is instant language.

GAZE

Speaking about the collection, Iqbal said, "What makes this collection even more exciting is that it is coming up the and the same way as I did. The outfit has heritage in the Mughal era and we adapt for the occasion, and very happy about the beautiful creation and the power of women who I believe is in doing so."
