MODAL CHANDERI FOIL 44"

The image shows four large bolts of fabric stacked vertically. Each bolt is covered in a vibrant, multi-colored floral pattern on a light background. The colors include bright pink, teal, yellow, and olive green. The pattern consists of stylized flowers and leaves. The fabric has a slight sheen, suggesting a modal or silk-like material. The bolts are arranged in a slightly offset manner, showing the pattern from different angles.

MODAL CHANDERI FOIL 44"

The image displays four rectangular fabric samples stacked vertically. Each sample features a different background color and a floral pattern with gold foil accents. The top sample is maroon with pink and yellow flowers. The second sample is dark navy blue with yellow and teal flowers. The third sample is deep red with pink and yellow flowers. The bottom sample is dark green with yellow and teal flowers. The text 'GTM MODAL CHANDERI FOIL 44"' is centered over the middle two samples.

The image shows four bolts of fabric stacked vertically. Each bolt features a dense floral pattern on a dark background. The flowers are in various colors including teal, pink, yellow, and red, with green leaves interspersed. The fabric has a subtle sheen, characteristic of modal or silk. The bolts are slightly curved, showing the texture and drape of the material.
