# TREND

The best fashion advice I'd say would be just to do what makes you comfortable and what makes you feel cute, and that's how you're gonna look your best 'cause when you feel your best, everybody else can feel it, too.

A woman with long brown hair, wearing round sunglasses and a pink floral dress, stands in front of a blue ornate door. The text "DO MORE OF WHAT MAKES YOU HAPPY" is overlaid on the top right of the image.

# DO MORE OF WHAT MAKES YOU HAPPY

What's my style  
is not your style,  
and I don't see how  
you can define it.  
It's something that  
expresses who you  
are in your own  
way. Fashion is part  
of our culture, and  
it's about more than  
just a pretty dress.

# INSTA

It makes us feel good, unique, and beautiful. Moreover, fashion boosts the economy and creates jobs for a huge number of people. Don't be into trends. Don't make fashion own you, but you decide what you are, what you want to express by the way you dress and the way to live
