It's a new era in fashion

*The only thing that can be done is to preserve them.
Educate the future generations about
the level of work that has been done in fashion, particularly saree,
since we are looking at this particular trademark style.*

A woman is walking on a wet, paved street. She is wearing a light-colored saree with a large, vibrant floral pattern in shades of pink, red, and yellow. Underneath the saree, she wears a blue and white patterned blouse. She is also wearing a wide-brimmed hat, sunglasses, and a colorful scarf. She holds a black handbag in her right hand. The background shows a building with large glass windows and a yellow structure on the right.
