"Fashion is what you're offered four times a year by designers. And style is what you choose."

A fashion advertisement featuring two women standing in front of a rustic stone wall with climbing vines. The woman on the left is wearing a dark brown kurti with a vibrant floral pattern in shades of pink, yellow, and green, paired with dark purple leggings and brown sandals. The woman on the right is wearing a dark blue kurti with a large floral pattern in pink, white, and light blue, paired with dark blue leggings and tan sandals. Both kurtis have a traditional neckline with intricate embroidery. The background is a textured stone wall with green vines and leaves. The overall aesthetic is elegant and traditional.
