Classy and fabulous

Women think of all colors except the absence of color
I have said that black has it all White too their beauty
is absolute It is the perfect harmony.

Fabulous Style

I have always believed that fashion was not only to make women more beautiful, but also to reassure them give them confidence.

Fashion is so close in revealing
a person's inner feelings and
everybody seems to hate to lay
claim to vanity so people tend
to push it away. It's really too
close to the quick of the soul.
