Festive Anecdotes

Women think of all colors except the absence of color I have said that black has it all white too their beauty is absolute it is the perfect harmony.

Beyond Traditional

Fashion is so close in revealing a person's inner feelings and everybody seems to hate to lay claim to vanity so people tend to push it away it's really too close to the quick of the soul.

Inevitable Charm

fashion is really about sensuality how a woman feels on the inside in the women used suits with exaggerated shoulders and waists to make a strong impression women are now more comfortable with themselves and their bodies they no longer feel the need to hide behind their clothes.

Just around the corner is every woman's need is a look, dress
a wonderful suit or entire costume which will make an enchanting new creature of her
