DIFFERENT STYLE

Fashion is so close in revealing
a person's inner feelings and
everybody seems to hate to lay
claim to vanity so people tend to
push it away it's really too close
to the quick of the soul.

I like being a woman even in a man's world After all men can't
wear dresses but we can wear the pants.

Clothes and jewellery should be startling individual when you see a woman in my clothes you want to know more about them to me that is what distinguishes good designers from bad designers.

922-006 Over the years I have learned that what is important in a dress is the woman who is wearing it.

Exotic fabric that looks radiant in both an elegant drape or a flirtatious carefree wrap. 922-007

BLANDISH STYLE

AN ATTITUDE TO CONQUER

Fashion is not necessary about labels its not about brands its about something else that comes from within.

CLASSY AND FABULOUS

I'm thinking balls are to men what purses are to women it's just a little bag but we'd feel naked in public without it.

Unique shade of red and the warmth of subtle print is together an avalanche of beauty. 922-002

GLAMOUR IS EVERYTHING

Fashion is so close in revealing a person's true feelings and everybody seems to want to lay claim to vanity as people tend to push it away it's really too close to the quick of the soul.
