FASHION LIFE

D.NO.5043

"Fashion you can buy, but style you possess. The key to style is learning who you are, which takes years. There's no how-to road map to style. It's about self expression and, above all, attitude."

THE NEW INFLUENCERS

"What's my style is not your style, and I don't see how you can define it. It's something that expresses who you are in your own way. Over the years I have learned that what is important in a dress is the woman who's wearing it. Girls do not dress for boys. They dress for themselves, and of course, each other. If girls dressed for boys, they'd just walk around naked at all times. Being well dressed hasn't much to do with having good clothes. It's a question of good balance and good common sense. A little bad taste is like a nice splash of paprika. We all need a splash of bad taste—it's hearty, it's healthy, it's physical. I think we could use more of it. No taste is what I'm against."
