*The label SHIVAM is an expression of true luxury inspired by the Royals and colours that are truly bridal. The collection FLORENCE is a must-have for any bride to-be this season. It portrays the plush facade and sense of easy style and luxury of the Regal through the use of opulent fabrics. The detailed yet delicate work is balanced by the elegance of the colour palette. The collection ranges from delicate shades of gold, frosted almond, champagne, green and Ivory that celebrate the collection in all its grandeur.*
