

A piece of light-colored, possibly white or cream, fabric is shown, likely a blouse piece. The fabric is draped and folded, creating soft shadows and highlights. At the bottom edge, there is a decorative border with a repeating geometric pattern in green and white. The pattern consists of small squares and rectangles arranged in a grid-like fashion, with some squares containing a cross or star-like shape. The overall appearance is that of a high-quality, possibly silk or satin, fabric.
